THE YEAR 1914 will be an eventful one in many ways. As we enter the new year let everyone try to make it brighter and happier. Kind thoughts give happiness. Evil wishes like chickens come home to roost. Good thoughts come back with interest. A man or woman who wishes everybody well produces good effects upon themselves. One who grudges everybody all that is good, who hates himself and tries to get others in trouble will experience on himself the effects of his own poisonous thoughts and die a miserable coward, hated and despised by all the world.

Latitude of New Jersey, Pennsylvania, Ohio, Missouri, Kansas and California.

Plow early soils, sow early oats, potatoes, peas, spinach, radishes and set onions. Prepare compost manures. Top dress grass and lawns. Prune trees, shrubs, vines; graft fruit. March Miseries.—Warm days and cold ones; bright sunshine and terrible storms. The great struggle between Winter and Summer takes place this month, and woe to the person who is taken sick at this time, for they seldom recover. The blood is thick and sluggish from feeding on concentrated foods. Fever, blood disorders, headaches and general debility will so weaken the system that any contagion may be contracted. If you have never taken Atlas Compound take it now and avoid the results of March's Miseries.

April's Afflictions.—April is not so much a month to contract disease as it is to convalesce. If you have escaped disease thus far into the year you should now begin to "clean up." Malaria, boils, bilious attacks, blood disorders, catarrh and skin eruptions begin to show; neuralgia and nervous troubles generally will add to pangs of other disorders. Medical science has never produced so great a medicine as Atlas Compound for April Afflictions.

September Symptoms.—September is the "Fever Month." You may have passed through the winter, Spring and Summer without trouble, but look out for September's Symptoms. That languid feeling, you feel miserable. Your bowels are not right, your flesh feels hot, skin is dry, and tongue coated. These symptoms must not be ignored; unless attended to at once you will be laid up for weeks, if not forever. Remember Atlas Compound is for just such troubles, and if taken in time you will avoid September's Symptoms.

HINTS TO FARMERS FOR NOVEMBER

Latitude of New Jersey, Pennsylvania, Ohio, Missouri, Kansas and California.

Threshing is now in order. Earth up celery. Cut fuel. Gather leaves. Subscribe for farm papers, books, etc. Get everything in shape for Winter.

November's Diseases.—This is the month for Catarrh. People are careless, catch cold, neglect it, and the result is Catarrh. This disease not only affects the head, nose and throat, but works its way down into the bronchial tubes, the lungs, stomach, kidneys and bladder, causing all manner of complications. Diseases contracted this month hang on all Winter, and in most of these cases when Spring waken the patient is sleeping "under the willows."

Atlas Compound cures Catarrh by removing the mucus, slimy secretions.

ATLAS COMPOUND FOR CATARRH. Catarrh is an inflammation of the exposed tissues. Catarrh of the nose and throat is generally the beginning of the trouble, then it works in Tubes of the Lungs, that is Bronchitis. Consumption is caused by Catarrh of the Lungs themselves; they get so full of the mucus, slimy matter that they actually rot away.

Dyspepsia is Catarrh of the Stomach. Heart Disease is caused by Catarrh of the Heart. Bright's Disease is Catarrh of the Kidneys. Cystitis is Catarrh of the Bladder. Scirrhus (Cancer) is Catarrh of the Liver. Colitis is Catarrh of the Bowels. Amenorrhea, Dysmenorrhea, Menorrhagia and Menophlania are simply Catarrh of the Womb.

When you have Catarrh of any part, that part cannot act, the Blood becomes stagnant and cannot circulate, the Vitality declines, and you soon get into such a state that you are liable to absorb anything that comes along: Small Pox, Yellow Fever, Typhoid Fever, Meningitis, and all Nervous Disorders.

ATLAS COMPOUND LOOSENS UP this Mucus, Slimy, Catarrhal Matter, wherever it has taken hold, cleans out the system and makes every part of you as good as new. You cannot be healthy and strong if you are all clogged up, and your organs are all coated with this nasty, foul Catarrhal matter. If you are ailing in any way take **ATLAS COMPOUND** and get well.

ATLAS COMPOUND is certainly a wonderful Medicine and its sale phenomenal. No other medicine ever had such an enormous sale in such a short time. There must be a reason for it and there is.

AN ABSOLUTE GUARANTEE OF PURITY

I hereby certify that ATLAS COMPOUND is a purely vegetable preparation and does not contain any calomel, mercury, creosote, morphine, cocaine, acetanellide, (or coal tar products), arsenic, potash, (lye) quinine, strychnine, alcohol or any harmful or habit forming drug, and that it is **ABSOLUTELY PURE**.

IN MY HOUSE TO STAY.

Dr. MacDonald, Dear Sir: I am sending you money for three boxes of ATLAS COMPOUND. This medicine is in my house to stay. There is no other like it. It agrees with my system. I have told many others about it.

MR. WILLIAM A. GAFF, Needham Street, Dedham, Mass.

STRONGER THAN EVER BEFORE

J. MacDonald, M. D., Dear Doctor: I write to let you know that I cannot praise your ATLAS COMPOUND too much for what it has done for me. I had heart trouble, bodily weakness for years. I tried everything but all failed to do me any good till I began using your ATLAS COMPOUND. No I can say I do not feel symptoms at all. I can drink all the coffee I want. My nerves are in better than they have been in twenty years. You can use this testimonial or refer anyone to me.

G. H. MILLER, Box 53, Grays, Ark.

THE WORK IT DONE.

J. MacDonald, M. D., Dear Doctor: The Almanacs to hand and it would have done you good to see how eager the hands were to get them. As soon as they heard I was to get some I was besieged with requests from every one to "Save Me One." They all know how badly I was crippled with rheumatism I was last winter and what good condition I am in now. I am working for ATLAS COMPOUND.

L. A. MITINGER, With Hale & Kilburn, Mfg., Co., Lehigh & 18th Street, Philadelphia, Penna.

MOST REMARKABLE FOR HAY FEVER.

J. MacDonald, M. D., Dear Sir: ATLAS COMPOUND and Almanacs were received. I took the tablets and I am glad I did because from all appearance they have driven out of my system the seven years attack of Hay Fever which had reduced my weight from 190 pounds to a mere skeleton. To make sure I am sending for three more boxes, as I think I had better continue taking it for a while. I do not care where it comes from or what it is. It is good enough for me. I have been humbugged many times in the last seven years. It is not the cost that worries me it is the betrayal in confidence but what can you expect it is only the product of the time in which we are living. Your medicine will be a great benefit to all except the Moss Backs who don't believe in anything unless they read it in the bible.

D. S. M. S. FERROW, 54-2nd Street, Newburg, N. Y.

YOU HAVE BEEN A FRIEND TO ME.

J. MacDonald, M. D., Dear Sir: You are not aware of all the good your ATLAS COMPOUND has done me. I appreciate your kindness. How much good one can do for another if they will only think a little in this struggling life. I enclose \$2.00 for your 1912 Almanacs. Please send as many as you can, as my friends are all asking for them. I will need more of your ATLAS COMPOUND very soon as I am nearly out of it and my friends are sending for it every day.

MRS. ISABELLA BURGESS, 2106 West Chicago Ave., Chicago, Ill.

GREATEST MEDICINE IN THE WORLD.

Dr. J. MacDonald, Dear Sir: I have been bothered with rheumatism in my right shoulder and in my right knee for some time till recently I tried your ATLAS COMPOUND, and to my surprise I am entirely well now. I am satisfied ATLAS COMPOUND is the greatest medicine in the world for rheumatism. I have recommended it to others. I am now 55 years old and plow as much as any boy. You can do as you wish with this notice.

L. B. ASHER, Cryder, Caldwell Co., Ky.

BAD TASTE IN HIS MOUTH.

Dr. MacDonald, Dear Sir: I would wake up in the morning with a thick taste in my mouth (and I am not a drinking man), and as soon as I ate my breakfast it would come up again. I always felt cranky and did not care to talk to any one. I would also have a dizziness. ATLAS COMPOUND did me a world of good and I shall keep on taking them until I am entirely cured. I also had indigestion for a long time. Eating potatoes do not bother me any more, whereas I used to dread it. You can publish this letter if you wish.

J. M. DODD, Albany, Ind.

SURROUNDED BY MAGICAL INFLUENCES.

Dr. MacDonald, Dear Sir: I consider you to be a wonderfully scientific and gifted man. I myself am also a spiritual medium, and can see that you are surrounded by magical influences of the brightest order. All who come in contact with you, either personally or mentally must certainly receive a bountiful supply of your magnetism, health and success. Your ATLAS COMPOUND most surely does give "Champagne" effects without any depression, as you say. One tablet in the morning keeps me bright and happy all day long.

Respectfully yours, MRS. LEOTA GUTIERREZ, Golden Gate P. O., Calif.

HER MONEY NOT WASTED.

Dr. MacDonald, Dear Doctor: I am glad to know there is one honest doctor. You diagnosed my case perfectly, and while I have lost several hundred dollars in quack medicine, I can honestly say that what I paid you has not been wasted. Your ATLAS COMPOUND has proved all you claimed for it. I am in better health now than I have been for several years. I can trustfully say I am perfectly well now.

Yours respectfully, MRS. A. A. ALDRICH, 129 West Pine St., Canton, Ill.

RUN DOWN AND COMPLETELY EXHAUSTED.

J. MacDonald, M. D., Dear Doctor: I have used several boxes of your ATLAS COMPOUND and can unhesitatingly recommend it as the best blood purifier and stomach tonic I ever used. My system was so run down that by 10 o'clock every morning I would be completely exhausted and could hardly pull through the rest of the day. Since taking ATLAS COMPOUND all this has entirely disappeared. I am strong and vigorous and able to do a days work. I can eat anything now and sleep well. I can not speak too highly of your remedy.

EXPECTS TO GET MARRIED IF THE GIRL WILL HAVE HIM.

Dr. J. MacDonald, Dear Doctor: It is with pleasure I write you this letter, as I have just finished taking the last of your ATLAS COMPOUND. I am feeling like a different man altogether. I want to thank you for what you have done for me. I can truthfully say I am a perfectly well man now, and expect to get married soon if the lady will have me.

Yours truly, M. E. RICHARDS, 1051 Erie Ave., Williamsport, Pa.

WILL ALWAYS SPEAK A GOOD WORD FOR ATLAS COMPOUND.

Dr. MacDonald, Dear Doctor: Please send me your Almanac for 1904. I have had one for the past six years and don't want to miss this time. I feel very good now a-days. I take a few ATLAS tablets once in a while, and they keep me in good condition. ATLAS COMPOUND is the cheapest medicine in the world, and I'll always say a good word to my friends about it.

Yours truly, WM. R. WILSON, Dickson City, Pa.

WAS NERVOUS, WILD AND RESTLESS.

Dr. MacDonald, Dear Sir: A child was left almost dying from the effects of scarlet fever, no medicine seemed to help her. She was so nervous, wild and restless, she had to be held all the time; she was constantly in motion, awake or asleep. She was given ATLAS COMPOUND and was all right and well in three weeks.

MRS. KILLEN, Nurse, Barten, Maine.

CONSUMPTION.

Dr. MacDonald, Dear Sir: I had consumption, coughed, had hectic fever and sweats and expectorated yellow pus. I had been getting worse for the last six years, could scarcely sit up, had to be drawn about the house in a chair. I was as yellow as a pumpkin and had taken medicine for every known complaint without relief. I can now say I am well, appetite excellent, no cough, no fever and have gained considerable in weight. I can not help recommending ATLAS COMPOUND after all it has done for me.

DAVID BLUME, Flushing N. Y.

INTESTINAL DYSPEPSIA.

J. MacDonald, M. D., Dear Sir: The ATLAS COMPOUND received all O. K. I gave some to a patient whom I have been working with for three years, for stomach trouble and intestinal dyspepsia. He says he feels much better. His food digests well, he has no distress nor constipation now. I tried it on a lady who has always been bilious. She has just been in for more, says she feels better than in years. I guess I will have to buy it in quantity. Please quote me prices on ATLAS COMPOUND by the dozen.

Yours fraternally, WM. BROWN, M. D., Oregon City, Ore.

HELPED WONDERFULLY.

J. MacDonald, M. D., Dear Sir: I am now taking the last of your medicine that I ordered some time ago and write to ask if you think I ought to have more. I do not feel quite as strong as I would like to, but I say with all truth that I have been helped wonderfully. I can lift and carry loads which have been impossible for more than fifteen years and I can stand as much heavy jolting as anyone now; riding a mowing machine or harvester, for instance. If you think I should keep on let me know and I will send for more, for I am well pleased with the treatment.

Yours truly, MARION F. FOX, Geyser, Lincoln Co., Nev.

RECEIVED BENEFIT AT ONCE.

Dr. MacDonald, Dear Sir: I want to write you about your medicine. I received benefit from the beginning of the treatment. You see I have tried every doctor in this county without benefit. I will recommend you all over this county as long as I live. I will never forsake you, doctor, for YOU HAVE CURED ME. Please send your circulars to the parties I enclose names and address of. My symptoms were, pain in small of my back, bad taste in mouth in the morning and tongue coated all over.

Yours Forever, WM. STEVENS, Collinston, La.

HAD RHEUMATISM AND GENERAL DEBILITY.

Dr. MacDonald, Dear Sir: I have been trying your ATLAS COMPOUND for Rheumatism and General Debility from hard work. I have taken nearly three boxes and can say I feel a great deal better, am much improved indeed. I have recommended it to others with good results. Please send me three more boxes for the money enclosed as I feel positive that by continuing it I will feel like a new man in a short while.

Resptly. yours, GEO. D. LUCK, Whitesboro, N. Y.

63 YEARS OLD. FEELS BETTER THAN IN 10 YEARS.

Dr. MacDonald, Dear Doctor. It is with pleasure I write to tell you how much better I am and to praise your ATLAS COMPOUND. It is the best medicine I ever took. It has cured me of everything and I have done more work this Summer, hot or cold, than I have in 5 years. I feel better than I have for 10 years. I can now eat anything that is fit to eat and it agrees with me. I am telling others about your medicine and I am sending you a dollar for some more. My wife has had rheumatism for 4 years, she is now taking the ATLAS COMPOUND and it is doing her lots of good. Good bye.

Yours truly, JOHN O'NEIL, Folsom, So. Dak.

A CRIPPLE FOR TWO YEARS.

J. MacDonald, M. D., Dear Doctor. The ATLAS COMPOUND is all you claim for it. I am taking it for Liver Trouble and it is doing its work nicely. My mother has been a cripple for nearly two years with rheumatism, and she could hardly eat anything, she has taken about half a box and can now walk around by holding onto a chair and can eat most any kind of common food. I think we will both be cured pretty soon.

Yours truly, M. E. GILBERT, New Castle, Pa.

DOCTORS SAID SHE WOULD NEVER GET WELL.

J. Mac Donald, M. D., Dear Doctor. The ATLAS COMPOUND that we sent for, for Mrs. Tillottson has arrived all safely and none too soon. She has been sick for years. Many doctors in Pennsylvania, Michigan and California, have treated her, but never done her any good. The doctors here said she would never get well. It is now two weeks since she began taking your medicine and she is up and around. She coughed something awful and raised blood every time. We have great faith in your ATLAS COMPOUND and recommend it to our neighbors.

Yours with respect, H. N. TILLOTTSON, Tuolumne, California.

HAD RHEUMATISM SIX YEARS.

Dr. Mac Donald, Dear Doctor Your ATLAS COMPOUND is a regular cyclone for Rheumatism. I suffered for six years with this awful painful disease, could not work at all. I have used six boxes of your remedy so far and feel like myself again. I am a carpenter and am working at my trade again now.

Your truly, GEORGE SHUESSELER, 6719 Germantown Ave., Phila., Pa.

BEST MEDICINE HE EVER USED.

J. MacDonald, M. D., Friend Doctor. The ATLAS COMPOUND received some time ago. I was well pleased with it and have recommended it to all my friends. It is the best medicine I ever used, and you can use my name whenever you wish. I enclose one dollar for three more boxes.

Yours turly, JOHN H. WOODS, 251 Goffe St., New Haven, Conn.

HAD CATARRH, WAS NEARLY DEAF, CAN NOW HEAR A WATCH TICK.

J. MacDonald, M. D., Dear Doctor: I had Catarrh for nearly 15 years my ears troubled me there was ringing in my head all the time, I was nearly deaf. I have taken several boxes of your ATLAS COMPOUND and my head now feels much better than it has for 15 years. I can now hear a watch tick. I believe your ATLAS COMPOUND is going to cure me, I will however keep on with it right along, so please send me another dollars worth.

Your friend, ELROD GIBSON, Grant, Pa.

HAD ASTHMA 17 YEARS.

J. MacDonald, M. D., Kind Sir. I have been a sufferer from Asthma for seventeen years and have spent hundred of dollars for medicine but got no relief. Can say now that your ATLAS COMPOUND has CURED me. I am still using a little of it and shall keep on a little longer. I enclose you 50 cents for one more box.

Yours truly, P. W. ZINKHAN, Box 91, Zellenople, Pa.

SO NERVOUS SHE SHOOK ALL OVER.

J. MacDonald, M. D., Dear Doctor. It is with pleasure I write to let you know how I am. I am feeling better than in years. Two years ago I was so nervous that if any one, or even their clothes touched my bed I would shake all over. Now I can do more hard work than ever in my life. My neighbors all say how well I look. I measure four inches less around my waste than I did and have lost 60 lbs. in weight. I think my weight is about normal now. I am 5 foot 8 inches tall and weigh 149 lbs. I have distributed a lot of ATLAS COMPOUND and my friends all like it. Long live ATLAS COMPOUND.

Yours truly, MRS. ELIZABETH E. MIZNER, Burghill, Ohio.

BEST MEDICINE IN THE WORLD.

Dr. MacDonald, Dear Doctor. Three weeks ago I began taking your ATLAS COMPOUND and it has done wonders for me. It is THE BEST MEDICINE IN THE WORLD. My sister has also taken your medicine and it done her lots of good.

ADVISES ALL TO TRY ATLAS COMPOUND.

Dr. MacDonald, Dear Friend. My husband is getting along much better, he can eat most anything now since taking your wonderful ATLAS COMPOUND. We wish all who had stomach diseases like he had would try it. Wishing you all the prosperity possible, I am

Yours truly, MRS IRA SNEDKER, Box 122, Edmeston, N. Y.

HAD BACKACHE FOR 15 YEARS.

J. MacDonald, M. D., Dear Doctor. I write to you in regard to your medicine. I have been taking it two months and must have some more. It has done me lots of good. I have had this backache for nearly 15 years and your medicine has done me more good than any medicine I ever took.

Yours truly, J. GROSS, Rollo, Mo.

ATLAS COMPOUND IS ALL RIGHT.

Dr. J. MacDonald, Dear Doctor: My boy has something like Asthma, so I enclose you One Dollar for three more boxes for him, I gave him some of mine and they helped him. ATLAS COMPOUND is all right. It has helped me. I felt so tired and played out all the time that I was not good for anything before I took them, now I feel good and work every day.

Yours truly, C. W. LOCKARD, Patchville, Pa.

ELECTRICITY IN ATLAS COMPOUND.

Dr. MacDonald, Dear Sir: Please send me six more boxes of ATLAS COMPOUND. Do you ELECTRIFY these tablets in any way? It seems that every time I take them I feel so light I hardly touch the earth when I move about. They give me such a nice sensation of ease and contentment. I thought at first they contained some dangerous drug, but our family and several of my neighbors have been using them for over a year now without harm, in fact none of us have been sick a day since using them, before that I was complaining all the time about something or other.

Yours truly, MRS. PERCY RICHARDS, Dover, Ind.

FROM AUSTRALIA.

Dr. J. MacDonald, Dear Doctor: I am enclosing you a Money Order for One Gross of ATLAS COMPOUND. Please send goods soon as possible. I am in business here and I know I can sell an immense quantity. Six boxes cured my wife of a trouble of over eight years standing, therefore I can recommend it from personal experience.

Yours truly, ADAM MACADAM, South Adelaide, Australia.

HAD RHEUMATISM 30 YEARS.

Dr. MacDonald, Dear Sir: About 30 years ago I contracted rheumatism working under ground. During all these years I eagerly sought a cure. I used everything I ever heard of without results. Until last year I was about helpless and came to the conclusion that I was incurable. I happened to read your Almanac and, like a drowning man I grasped the last straw. I will admit that with my past experience I had but little faith. I sent for three boxes of ATLAS COMPOUND. It helped me. I sent for more and after a systematic treatment and a faithful adherence to your instructions, I AM CURED. Hoping this letter may be interesting for the welfare of suffering humanity, I am

Yours truly, EDWARD PULVERMACHER, 616 Edwards St. St. Louis, Mo.

HAD HEADACHE TWENTY YEARS.

Dr. MacDonald, Dear Sir: I wish to express my thanks for the good your medicine has done me. I had headache for more than twenty years without relief until I took your KOLAH COMPOUND. That done me so much good and STOPPED THE PAIN, that I was encouraged to try ATLAS COMPOUND. Six boxes done exactly what you said, CURED ME. It was hard to give up eating potatoes, as you said I must, but I know now that they were poison to me,

With my sincerest gratitude I am yours truly,

MRS. A. APPLEBY, East St. Louis, Ill.

THOUGHT HE HAD HEART DISEASE.

Dr. J. MacDonald, Dear Doctor: I used to think I had heart trouble as bad as any one could have when I first wrote to you. My heart seemed to stop, then go ahead and thump something fearful. I had queer nervous spells, was constipated and kept getting worse all the time. I often fainted away with pains in my head. I tried everything I ever heard of for headache, heart trouble and kidney disorders but never got any relief until I wrote to you and tried the ATLAS COMPOUND. Six boxes has completely cured me and I take pleasure in sending you this testimonial.

Yours truly, AGNES GIBBONSON, San Antonio, Texas.

CATARRH AND BAD BREATH.

Dr. MacDonald, Dear Doctor: I have been troubled with malaria, headache, indigestion, catarrh and bad breath for ten years. I had a bad taste in my mouth every morning and could not eat breakfast, in fact I did not it all up. One evening my brother-in-law was to our house to supper and told me of your ATLAS COMPOUND. I did not take much stock in what he said, but he told me if I would take three of the tablets and say they did not help me he would make me a present of ten dollars. Well, I took the three tablets after supper and went to bed, next morning I woke up feeling better than I had for years. I surprised my wife by asking for breakfast. My bowels moved very gently. I took three tablets after each meal for a week, then two for another week, then one tablet after meals for a month and the result is I am a well man. I can say positively that I can eat and drink anything now, late suppers and wine don't effect me a particle. All I do when I eat a big supper is to take two or three ATLAS TABLETS and all is well. It is a wonderful medicine and I take great pleasure in recommending it.

Yours truly,

CHAS. W. WILSON, 297 Chapparin St., New Orleans, La.

HAD EPILEPTIC FITS.

Dr. MacDonald, Dear Sir: I am a young man eighteen years old. I have had many attacks of epileptic fits from my fourteenth to seventeenth year. I had to be carried home from school a great many times. I had been treated by many physicians and specialists without results. A friend recommended me to try your ATLAS COMPOUND, I did and have used six boxes the past year and have not had a single spell since. I felt that your medicine would cure me from the very first time I took it. Doctor may Haven bless and prosper you. I wish you success in all you do.

Respectfully yours, JOHN REDMOND, 1316 Harrison St., San Francisco, Cal.

GAINED TWENTY-FIVE POUNDS.

Dr. MacDonald, Dear Sir: It is with pleasure I write you a few lines to let you know how much good your medicine has done me. I have recommended your ATLAS COMPOUND to five of my neighbors. They are all pleased with it. I will always say a good word for you. My sister is now taking it. When she began to use it she was all run down and only weighed sixty pounds, she gained right along and now weighs eighty-five pounds and is feeling fine. You can refer to me at any time. With best wishes I remain,

Yours truly, W. M. ALEXANDER, New Sheffield, Pa., Route 1.

FEELS MUCH BETTER.

Dr. J. MacDonald, Dear Sir: Please send me three more boxes of ATLAS COMPOUND. I have now taken five boxes and feel so much better than I did that I am encouraged to send for more.

Yours truly, MRS. I. N. LOPER, Montrose, Colo.

MORE PRECIOUS THAN GOLD.

Dr. J. MacDonald, Dear Sir: I have now used three boxes of your FAMOUS ATLAS COMPOUND and must say, the results are simply wonderful. I was all run down, in fact I did not know what ailed me. I had doctored with nine different physicians and had taken something less than a thousand patent medicines without a cure. ATLAS COMPOUND is the "real thing." From the first dose it seemed to go to the "right spot" and has made me well. I keep a box in my desk and value it MORE PRECIOUS THAN GOLD.

Yours truly, ALONZA OPIECKA, New Albany, Ind.

ATLAS COMPOUND IS LUCKY.

Dr. MacDonald, Dear Sir: The word ATLAS is lucky. It is also a synonym of strength. I have never been so lucky in my life as I have since I began taking ATLAS COMPOUND. In comparison, Niagara is to a rivulet what ATLAS COMPOUND is to all other medical preparations. It is truly as you say, EVERYBODY'S MEDICINE. After three weeks treatment I feel like a NEW MAN, language utterly fails to describe my feelings. Wherever suffering humanity exists there ATLAS COMPOUND should be found.

Yours truly, CHARLES F. MCCARTHY, Belfast, Maine.

A BURNING SENSATION IN STOMACH.

Dr. MacDonald, Dear Sir: For the past three years I have been troubled with a burning sensation in my stomach. I felt very much distressed after eating and could hardly get my breath. I had a dull headache constantly. I have tried hundreds of dyspepsia tablets and cures but none ever gave me relief. I heard of your ATLAS COMPOUND and decided to try it, which I did and obtained immediate relief. I am not entirely cured but I am still taking it. I do not have the headaches any more, nor the burnings in my stomach and I certainly feel much better than I did before taking it. I take much pleasure in recommending it to my friends and I would not be without it for any consideration. It is a great medicine for any one to have and I hope others may find the relief I have.

Yours truly, MRS. IDA MILLER, No. 29 Marlton Ave., Atlantic City, N. J.

WAS TERRIBLY CONSTIPATED.

Dr. J. MacDonald, Dear Sir: I take great pleasure in recommending your ATLAS COMPOUND. I was terribly constipated, had such severe headaches that nothing would relieve them. Some times in walking along the street I would have to stand still as I would be seized with a vertigo and was afraid people would think I was intoxicated. I bloated after each meal and friends thought I was going into a decline. One day I purchased a box of the ATLAS COMPOUND and took two tablets after each meal for a week, then one after meals. How thankful I am that I found it. I can't give it too much credit. My husband tried it and it helped him too, so that he always carries it in his pocket for emergencies. It was through the change he saw in me that he began to take it. I have never recommended any medicine before but I must write and tell you how much good it done me.

Yours sincerely, MRS. ROSE DEPUY, 61 St. John's Ave., Brooklyn, N. Y.

LIVER WOULD NOT ACT.

Dr. MacDonald, Dear Sir: I have been using your ATLAS COMPOUND since Christmas and find it a most excellent remedy for stomach and liver troubles. My liver would not act. I was so constipated that I would be sick abed for two or three days at a time. Often my bowels would not move for a week. I doctored for a long time, but the doctors failed to help me. The first ATLAS TABLET that I took done me so much good that I kept right on taking three after each meal for a week, then two and now one a day keeps my stomach and bowels in fine order. I really believe it will cure me in another month. ATLAS COMPOUND was recommended to me by a druggist to whom I was telling my trouble. He says it is a wonderful remedy and everybody praises it. I would be pleased to have you publish this testimonial to show others what ATLAS COMPOUND has done for me.

Yours truly, EUGENE PRESSMANN, 4947 Cottage Ave., Pullman, Ill.

A MARVEL IN MEDICINE.

Dr. J. MacDonald, Dear Sir: Your ATLAS COMPOUND is well named. It is indeed a marvel in medicine. I never knew what it was to feel well for years. My wife said I was the biggest crank that ever lived. I knew I was cross and snappish to everyone but I could not help it. I was all run down, wife said she was sure going to get a divorce. I insulted some of my best customers, but that was the way I felt, I used to take four or five bottles of Bromo Seltzer some days to stop my headaches and then would have to go home. One day a man came in my printing office and told me to try ATLAS COMPOUND. I did so, it made me sick at first but I kept it up and took six or eight boxes and am cured. I don't need to say much, my wife has done that, she tells everybody what ATLAS COMPOUND has done and I'll bet she has been the means of your selling hundreds of boxes in this town. My friend McCrillis, foreman of a laundry in New Bedford, says ATLAS COMPOUND has cured him of stomach trouble of fifteen years standing. My sister-in-law keeps ATLAS COMPOUND always handy for an emergency. Doctor you have some good advertisers out here. With my best wishes for your success I am,

Yours truly, J. B. TAYLOR, 134 Main St., Lowell, Mass.

LOW VITALITY AND NERVOUSNESS.

Dr. MacDonald, Dear Sir: I want to report my case. I am getting better every day. Please send me three more boxes of ATLAS COMPOUND. I was all run down, was weak and nervous, had sour stomach, could not work for eight months. I had intense pain in right side and between shoulders, which my doctor said was liver and kidney trouble, but he did not cure me. I had terrible pains after eating and was losing flesh all the time. Some days I was so weak I could not get out of bed. Some one told me about your ATLAS COMPOUND. I got a box from my druggist, it helped me. I then sent to you for a half dozen and it has done me so much good that I am working at my trade now, which seemed almost impossible a month ago. ATLAS COMPOUND is the Greatest Medicine on Earth. It is an ALL-AROUND medicine, for my mother, wife and children take it when they feel bad and it has helped the whole family. I appreciate a good thing when I find it and will do all I can to recommend ATLAS COMPOUND.

..Yours truly, GEO. G. GREENWAY, 417 East Aurora st., Aurora, Ill.

"THE VERY MEDICINE I HAVE BEEN LOOKING FOR."

Dr. MacDonald, Dear Doctor. Please send me three more boxes of ATLAS COMPOUND. It is the very medicine I have been looking for these many years. I have taken two boxes and gained 20 pounds. The medicine is all right.

Yours truly, SAMUEL CRABTREE, JR., Whistler, Ala.

ONCE DOUBTED, NOW BELIEVES.

It is now several months since I purchased a box of your ATLAS COMPOUND. I laughed when I received it, first at your ingenuity in treating sick folks by mail and second at your directions. I did not believe your ATLAS COMPOUND could accomplish what you claimed for it, but the more I used it the more I was convinced that it would do all you said it would. The more I studied up my case the more I was convinced that you were right as to the cause of my trouble. I place as much value on your advice to me as to what to eat and what not to eat as I do in the medicine. You certainly know what you are talking about.

Yours truly, RUDOLPH MYER, Gleason Bldg., Essex St., Lawrence, Mass.

HELPED HIM PHYSICALLY AND MENTALLY.

Dr. MacDonald, Dear Sir: Your medicine sent me last April, at which time I was very sick, has completely cured me and has affected a great change in both my physical and mental condition. I have gained 17 pounds. I feel it my highest duty to send you this testimonial and my heartfelt thanks for the great good you have done me. I am sure I could not have lasted much longer if I had not taken your medicine. Again receive my most heartfelt thanks and I hope you will give this testimonial to the world. I remain yours very sincerely.

JOSEPH HENRICH, Carleton, Yamhill Co., Oregon.

KIDNEY TROUBLE—WIFE SICK THREE YEARS.

Dr. J. MacDonald, Dear Doctor: Please send me three more boxes of ATLAS COMPOUND, it is doing me lots of good. I might mention that before taking ATLAS COMPOUND I used to get up to make water six to eight times every night. I do not get up more than once or twice now. My back don't hurt me near so much now. I cannot get enough sleep now, while before using ATLAS I could not sleep at all.

My wife was sick for three years, I had seven doctors and they all said she would not live three days, that was three years ago. She took your ATLAS COMPOUND and improved wonderfully and is in better health now than she has been in seven years.

I remain yours, J. L. RUSSELL, Elkhorn, Ill.

GIVEN UP TO DIE.

Dr. MacDonald, Dear Sir: I write again to give you an account of my mother-in-law's case. The ATLAS COMPOUND is doing wonders, but I thought maybe you could give me some advice about her diet. When your medicine came Elizabeth was in a very low condition. Doctor was coming every day, we had no hopes of her at all, thought she would die as she had not been able to hold her head up three minutes for the last four weeks. When she has a passage she faints away, has bad vomiting spells and said herself she must die. She cannot feed or help herself in any way. When the ATLAS COMPOUND came we gave her one half a tablet and after supper we gave her another one-half tablet, then she asked for something to eat and we gave her a little toast and tea and she kept that down. In the morning we gave her more toast and tea and for dinner a little custard and so on. She has improved wonderfully the past eight days, it don't seem possible she was so bad. Now Doctor, don't forget to answer my questions at once and tell us what is best to give her to eat.

Yours truly, MRS. STEWART SICKLES, Andover, N. J.

FEELS VERY GRATEFUL.

Dr. MacDonald, Dear Sir: I have taken all of the medicine you sent me and am in better health and feel better than I have in a long time, and I feel very grateful to you.

Yours truly, WM. H. BATEMAN, 111 Catherine St., Philadelphia, Pa.

OLD AGE POSTPONED.

J. MacDonald, M. D., Dear Doctor: Your letter received yesterday, I take pleasure in sending an old picture taken several years ago. It is the only one I have had taken of late years except the one I sent you last week, so please return it to me. My wife says I look and act 20 years younger than I did six months ago. The rheumatic pains have left my joints, my head feels clear and my bowels have regained their natural movements. I feel well in every way and am gaining in weight, have gained 20 pounds so far. I can honestly say I feel more like a boy than a man 85 years old. I will recommend ATLAS COMPOUND every time. With best wishes, I am

Yours truly, Z. K. SCHNEIDER, Boston, Mass.

A MOST REMARKABLE CHANGE.

J. MacDonald, M. D., Dear Doctor: I certainly am pleased to send you my latest photograph. If you have my former picture you can see that a most remarkable change has taken place with me. From being a cross cranky old maid, restless, nervous, pale and sickly, I have become fair, fat and healthy. I never felt better in my life, thanks to your ATLAS COMPOUND. A year ago I weighed just 98 pounds, now I weigh 145. I must tell you a little secret, I think you deserve to know it—I am going to be married next month, on the 16th.

Yours as ever, MISS G. BAKER, 617, 5th Ave., South, Minneapolis, Minn.

NEW AMBITION.

Dr. J. MacDonald, Dear Sir: I will write you a few lines with pleasure to inform you that I am more than delighted with my new manhood and vigor. I am feeling like a new man again with man's strength, man's power, man's ambition. I feel proud of what your medicine has done for me. I had taken everything known, but it all was like so much water. I couldn't get relief. Doctors could do nothing for me; nobody could but you. I am better in every way. Again, I say I am a new man and you made me so. Use my letter. I hope it will convince some sufferer. It is truly a blessing to sick and weak men. I wish you success in every way, as you deserve.

Your friend, CHAS. F. ADAMS, Natick, Mass.

AN AWFUL BAD CASE.

Dr. J. MacDonald, Dear Sir: Your treatment has done for me what all other medicines, etc., that I have taken has failed to do. I will advise anyone afflicted with nervous and sexual weakness. My case was an awful bad one, and I tried many kinds of remedies which did me no good, but your treatment did me a world of good. I have great faith in your treatment. It has been all you claim it to be, and I don't think I will even need any more medicine for my case. Thanking you for your kindness and what you have done for me.

Respectfully yours, AMOS CUMMINGS, Burlington, Vt.

GOOD FOR STOMACH AND KIDNEYS.

J. MacDonald, M. D., Dear Doctor: Please send me another dollar's worth of ATLAS COMPOUND. It is certainly all you claim for it, for heartburn, stomach and kidney trouble it has no equal. I am all out so mail it without delay.

Yours truly, MRS. NOAH HOLLENBACK, 1432 E. Market St., Sunbury, Pa.

FROM NEW JERSEY.

J. MacDonald, M. D., Dear Doctor: I think you had better send me another box of ATLAS. I consider myself a well man now and feel as good as I ever did in every way, but I don't want to be without it.

This gentleman (a widower aged 48) when he applied to me for treatment was obliged to get up a dozen or more times a night to urinate, he was constipated, had no vitality or energy and stated that he was a physical wreck. Since the above was written he writes again stating he has been married and feels satisfied with himself in every way. The original of the above communication can be seen at my office at any time.

J. MACDONALD, M. D.

WAS PERFECTLY HELPLESS.

J. MacDonald, Dear Doctor: I was wasted away and perfectly helpless with an aggravated form of female disease, could not raise up in bed, would vomit nearly everything I ate, even water; could not even sit up in bed. Was treated by six prominent physicians without any benefit. In one month, under the ATLAS COMPOUND treatment, I could wash and do all my work and walk two miles to town.

Yours truly, MRS. GEORGE GREEN, 17 Queen St., Norfolk, Va.

TIRED FEELINGS ALL GONE.

J. MacDonald, M. D., Dear Doctor: I think I am cured. I feel fine. I don't know how to thank you. I am as strong as a horse, weigh 175 pounds and all the tired feelings gone. I never thought I would be as well again and I thank you for it. I have no more pains, all gone. I am very thankful to you and wish you success in your good work.

WM. HAWKINS, White Heath, Ill.

ATLAS COMPOUND CAUSING GREAT SENSATION.

Doctor MacDonald, Dear Friend: I beg respectfully to inform you that, while today is only 16 days since I received the 72 boxes of ATLAS COMPOUND, my stock is almost exhausted. It is surprising to say although the medicine is not yet known to any extent on this West Coast, it is causing such a sensation that I am afraid some wholesale dealer will try and get control of its sale here, but as you assured me in your letter, I will always keep a regular stock on hand in consideration that I am to have the sole agency for its sale in West Africa. I am therefore sending you a draft on Paris Bankers for an amount sufficient for twelve gross, which I hope you will rush to me by quickest conveyance.

Your famous medicine is already pronounced to be the most reliable on the local market and its almost instantaneous effect is being greatly and rapidly felt. My friends congratulate me on the discovery of such a powerful, yet simple medicine as ATLAS COMPOUND. It is doing wonders in this climate, beyond description and is highly appreciated by all who use it. What it did for me personally is of course the reason of my making it known to the general public out here.

It is without doubt a wonderful remedy and I shall indeed feel grateful to you to protect me in the exclusive sale of it in these parts. With my sincere greetings, I am yours truly, JNO J. SIMONS, Ussher Town, Accra. Gold Coast Colony, West Africa. Wholesale agent for West Africa.

SELLS BETTER TSAN EVER.

Dr. J. MacDonald, Dear Friend: I enclose you money order, which please send me six dozen more ATLAS COMPOUND, six dozen Soap and six dozen Kolah Compound. With best wishes your friend,

MADAM NEWMAN, 210 No. Mary St., Escanaba, Mich.

ONE BOX DID HIM GOOD.

J. MacDonald, M. D., Dear Doctor: Some time ago I sent you 50 cents for a box of your ATLAS COMPOUND and found it all right. Of course I did not expect one box to cure me, but it has done me so much good that I now enclose you money for three more boxes. Please send it right away so I won't get out of medicine.

Yours truly, J. C. F. ECKMAN, Custar, Wood Co., Ohio.

CHEERFULLY RECOMMENDS IT.

Dr. MacDonald, Dear Sir: Your ATLAS COMPOUND is all right. It has cured me and I cheerfully recommend it to my friends. I have sold some for you and enclose money for six boxes. How much will six dozen boxes cost me to sell again to friends?

Yours truly, MRS. MARTHA J. PRADO, Home, Hall Co., Neb.

EATS EVERYTHING NOW.

J. MacDonald, M. D., Dear Doctor: I should have answered your letter before, but neglected it. I am giving ATLAS COMPOUND a good trial and it is doing me good. I sleep and eat better than I did and am now strong and healthy. I wrote every day in a shingle mill. Almost every one here has chills and fever, but I never have it any more since taking ATLAS. I eat everything and nothing disagrees with me. I board in a saw mill boarding house and you know what that means, plenty of hearty food. I am a great meat and bread eater but don't eat any potatoes now.

Yours truly, J. B. LEE, Panasoffkee, Fla.

LIKES BOTH ATLAS AND KOLAH.

Dr. MacDonald, Dear Sir: Please send me three boxes of Kolah Compound. I think it is just splendid for headaches. I used your ATLAS COMPOUND and it cured me.

Yours truly, MRS. C. W. LANGE, Paullina, Iowa.

IT HAS MERIT.

Dr. MacDonald, Dear Sir: Your medicine certainly has merit. Nothing I have ever taken has done me as much good as the one box of ATLAS COMPOUND I got of you. My husband also sent for a box and firmly believes it saved him from a serious spell of sickness. I believe it is the greatest medicine on earth and if people only knew how much good it will do, they would all buy if they were sick. You ought to sell a carload every day.

MRS. JENNIE P. D. BRADLEY, Susquehanna, Pa., Washington St. near First.

WAS TAPPED 28 TIMES.

Dr. MacDonald, Dear Sir: I was given up to die by several physicians, had organic heart disease, dropsy of bowels and lower limbs, was tapped 28 times and bucketsful of water drawn off. Have been completely cured by ATLAS COMPOUND.

Yours truly, WALTER SAMUELSON, Chenango Forks, N. Y.

WAS GIVEN UP TO DIE.

Dr. MacDonald, Dear Sir: I had been given up to die by several physicians. Had been to Colorado and Florida for treatment, but still grew worse. I was covered with sores, had involuntary emissions, fevers and sweats, coughed all the time, could get no sleep to speak of. I had no vital powers at all. I was engaged to be married, but being sad and discouraged I came home to die. ATLAS COMPOUND was recommended to me. I began its use to please a friend and am now well, fat and healthy. I work at my trade and expect to be married soon.

GEO. MOON, 1038 Peachtree St., Atlanta, Ga.

WAS A LIVING SKELTON.

J. MacDonald, M. D., Dear Sir: I was a living skelton, a scrofulous ulcer had eaten away most of my breast and it discharged a most offensive corruption. I could not eat or sleep. I also had ovarian and womb troubles and was desperate, only waiting death's call. I was made strong and well by a few month's treatment of ATLAS COMPOUND, the ulcer being completely healed.

Yours truly, MRS. JANE WEBB, Frankfort, Ky.

WAS PARALYZED.

J. MacDonald, M. D., Dear Doctor: I was paralyzed, could not sit up, stand or speak a word. I began taking ATLAS COMPOUND and in one month I could work on my farm.

Yours truly, JAMES BARNES, South Oswego, N. Y.

A TALE FROM THE INFERNO.

Dr. MacDonald, Dear Sir: I do not wish to take up your valuable time, but I must explain and thank you for all you have done for me. My past is like a tale from from Dante's "Inferno." I was a regular wreck, a hard drinker, smoker, and worse than all, an opium "fiend." When I began your treatment I had 2487 "needle ulcers" on my body. I was very nervous and could not eat or get any natural sleep and weighed but 155 pounds. I thank you a thousand times for what you have done for me. I am now sleeping 10 hours a day, have no craving for the drug or weed, my appetite is good and I weigh 189 pounds. I am still using the ATLAS, one dose daily, but have given up the other medicine you sent me.

Yours truly, MR. CHARLES BROWN, Joliet, Ill.

ON THE VERGE OF AN UNTIMELY GRAVE.

Doctor MacDonald, Dear Sir: I suffered terribly for over three years with asthma and catarrh. I was all run down from night sweats, was habitually constipated, had bad dreams and could scarcely dress or undress without help. I felt I was on the verge of an untimely grave. I thought death would soon overtake me. A friend brought me one of your advertisements and I grasped it as a drowning man does a straw, but in this case it was a life preserver. The ATLAS COMPOUND acted like Magic. I never had any medicine to help me so much. Today I am a well man and I sincerely believe I owe my existence to Dr. MacDonald's ATLAS COMPOUND.

Yours truly, MR. J. C. McKENZIE, Elizabeth, N. J.

WAS BED RIDDEN 18 MONTHS.

J. MacDonald, M. D., Dear Sir: I was bed ridden for 18 months, helpless and given up to die with consumption, severe cough, high hectic fever, pulse 160 to the minute. Was wasted to a skeleton. In five days after beginning to take ATLAS COMPOUND I could get out of bed, sit up and stand alone. Was completely cured in two months and am now teaching school.

Yours truly, JESSIE LORD, Eugene, Ore.

STRONG, FAT AND WELL IN THREE MONTHS.

J. MacDonald, M. D., Dear Sir: I was helpless as a babe for three years with a complication of female and womb troubles. Was a mere skeleton, could sleep but one or two hours in the twenty-four. Was treated by distinguished medical college professors without help. I was made strong, fat and well by ATLAS COMPOUND in less than three months.

Yours truly, CLARA L. MOOKE, New Britain, Conn.

DULL HEADACHES.

Dr. MacDonald, Dear Sir: I thought I would write to you of my experience with ATLAS COMPOUND. The confinement indoors has caused me to feel miserable with dull, heavy headaches and indigestion. I tried different tonics but they did not relieve me. I read of ATLAS COMPOUND and gave it a trial. It worked like a charm and I am glad to say I can now enjoy a hearty meal. I am entirely free from the headaches in the morning and my stomach does not feel weak any more. I trust this may be the means of bringing others afflicted as I was to the knowledge of ATLAS COMPOUND. You may use my name if you wish.

NELLIE HUNT, Camden, N. J.

INSOMNIA.

Dr. MacDonald, Dear Sir: I was troubled with insomnia and loss of appetite in the morning and had liver complaint to some extent. I spent a small fortune on medicine and doctor bills, when about six months ago a friend advised me to try ATLAS COMPOUND. I took two boxes which benefitted me so much that I continued till my appetite improved and my slumber was more sound. It is a month now and I have no fear of what I eat. When I eat a very hearty meal I generally take a tablet and as for sleep, I never slept so well in my life.

MRS. E. JONES, Marlboro, Mass.

KIDNEY TROUBLE.

Dr. MacDonald, Dear Sir: I suffered from kidney troubles for the past two years, and experience bloating sensations after meals, scalding urine, belching and weakness in the region of the lower part of my back after standing a short time. I tried ATLAS COMPOUND and obtained great relief. From the time I first took the tablets I experienced relief and at the present time all my former symptoms have disappeared. Knowing the merit of ATLAS COMPOUND, I have recommended them to numerous of my customers who have asked me about them.

JAMES M. HYDE, Canastota, N. Y.

USED MANY DIFFERENT REMEDIES.

Dr. J. MacDonald, Dear Sir: I can cheerfully add my testimony to the wonderful efficacy of your valuable treatment. I have used a great many different remedies, etc., for nervous exhaustion, failing power and vital strength, failing manhood and kindred troubles, and can truthfully say that your remedy is the only one that didn't disappoint me. I am now in my 57th year, and am possessed of vigorous manhood and robust health, due to the use of your wonderful treatment. I will take pleasure in answering any suffering inquirer who may wish to know of my experience with your treatment.

Yours truly, J. M. HENDRICKS, Gray, S. D.

ATLAS COMPOUND HELPED HER.

J. MacDonald, M. D., Dear Doctor: Please send me three more boxes of your ATLAS COMPOUND. If you remember I sent and got medicine three months ago and I can truly say it helped me very much, more so than any medicine I ever took. I have had no other treatment but your medicine. Please send medicine by return mail as I am all out.

Yours Sincerely, MRS. ELSIE U. THOMAS, West Danby, N. Y.

CONSUMPTION.

Dr. MacDonald, Dear Sir: I was given up to die of consumption by several of the most distinguished physicians in this country on lung diseases. Had two operations, was opened and lung cleaned out, but could get no relief anywhere. I was a perfect skeleton with fevers, night sweats and coughed up a great deal of yellow pus. I at last obtained the ATLAS COMPOUND treatment and in ten days could walk to the barn and one month later I went 100 miles by train on a visit to my son.

JOHN WALDEN, Tecumseh, Neb.

A GRAND TREATMENT.

Dr. MacDonald, Dear Friend: I don't know how to express myself in regard to your grand treatment. I only know that I was nearly dead until I commenced to take ATLAS COMPOUND. I am now well, robust and hearty. I have regained all my health and strength, and feel better than I have for many years. I can do more work than I ever did. I tell all of my friends what cured me. I have given seven men your name and address, and they said they would write to you. One of my neighbors, Mr.—is his name, has kidney trouble besides his weakness, and has to draw his water with a catheter. He has spent hundreds of dollars like I did. I told him you would cure him, cheap, too. Thanking you for the good you have done me, I am.

Yours truly, JACOB STIVERS, Reading, Pa.

AN INFALLIBLE INVIGORATOR.

Dr. J. MacDonald, Dear Sir: I am truly glad to add my praise to your infallible invigorating treatment, for it is surely a blessing to weak, broken-down men. I have been a constant sufferer of sexual weakness and wasting disease. I tried and tried to become cured. I was always using something from doctors, medical associations, cure-all schemers, etc., but to no avail. I read your advertisement, and just thought to myself, "another humbug." But as a drowning man will grab at a straw, I wrote to you and had some confidence after receiving your reply. After I began taking, to my utter astonishment and surprise, it done the work, and today I am O K—a man again—at the age of 63 years. Your treatment is surely a Godsend to weak and feeble men. May you live long.

Yours truly, J. W. ROBINSON, Genesee, N. Y.

GOING INTO A DECLINE.

Dr. MacDonald, Dear Sir: For the past two years I have been troubled with my stomach. I would vomit every meal I would eat and got so weak that I had to give up my work. Doctors told me that I was going into a decline. I tried all kinds of patent remedies and they all failed, but I thought I would try ATLAS COMPOUND. I found great relief in them. My meals stay down and I have returned to work again.

THOMAS GAVNEY, Knox, N. Y.

BLOOD POISONING.

J. MacDonald, M. D., Dear Doctor: I have taken the two boxes of ATLAS COMPOUND you sent me some time ago and could see a change from the first week. Six years ago I was inoculated with poison from an unclean person and have suffered untold misery in body and mind ever since. No one, unless suffering like myself, can realize my feelings. I am doing better than I ever expected to. I enclose you a money order for a half dozen of the medicine. If you should publish this as a testimonial, please do not give my name.

Yours sincerely, M. J., New Orleans, La.

THOUGHT HE HAD CONSUMPTION.

J. MacDonald, M. D., Dear Doctor: Please send me two more boxes of ATLAS COMPOUND at once as I leave here in ten days for home (Chicago). I came here six weeks ago for my health, the doctors all thought I had consumption. I was all run down, coughed terribly and had awful pains between my shoulders. When you sent my diagnosis you stated positively there was no lung trouble whatever, but that my trouble was with my kidneys. I have now taken three boxes of your ATLAS COMPOUND and feel a thousand times better, the pains have left me and my appetite is excellent. You may well and truly say, "that doctors do not cure their patients because they do not know what ails them." You certainly knew what ailed me.

Yours respectfully, JNO. T. SMYTHE, Colorado City, Colo.

THE RIGHT MEDICINE FOR ME.

J. MacDonald, M. D., Dear Dr: I am satisfied that there is not a finer medicine placed before the public today than ATLAS COMPOUND. I have been troubled for nearly twelve years with kidney and liver trouble, and at times I have been a pretty sick man, unable to attend to my duties. I had about made up my mind that no medicine could help me, when one of your circulars was brought to my office, which I read in a leisure hour. I then decided to give ATLAS COMPOUND a trial and found that I had at last secured the right medicine for me. For two months I used it faithfully and then felt so well that I was like a young man once more. This was over a year ago, and I have not had any trouble since. Although I am in the seventies, I feel better and more active than I did thirty years ago.

Yours truly, WILLIAM SIMPSON, Topeka, Kans.

NOW WALKS WITHOUT CRUTCHES.

J. MacDonald, M. D., Dear Sir: Please send me three more boxes of ATLAS COMPOUND. I am now using my third box and have just returned from a short work without crutches, the first time I have been without them in ten years.

Yours truly, C. P. BARTLETT, Brooklyn, N. Y.

BAD DREAMS.

Dr. MacDonald, Dear Sir: I had been wasting away for several months, was very weak, had bad dreams, and involuntary emissions several times a day, I being in a semi-unconscious state all the time. My tongue and lips were black, cracked and dry involuntary diarrhoea. Physicians informed my family that I could live but a short time. I was given ATLAS COMPOUND as a last resort and in one week I could set up, was hungry, ate three and four times a day, in a month I walked out of doors almost as well as usual.

JOHN CLARKE, Davis City, Idaho.

BLOATED AFTER EATING.

Dr. MacDonald, Dear Sir: I have been troubled a long time with indigestion and a bloated feeling after eating and in every instance ATLAS COMPOUND gave relief. I am now seldom troubled at all. I have used them for about two months and keep a box of them in my office all the time and usually take one every day. At first I took one after each meal but after a short time I found that one or two a day answered the same purpose. I have no objections whatever to you using this testimonial for advertising purposes.

CHARLES KEYSER, Eureka, Calif.

HEADACHE, INDIGESTION AND LIVER TROUBLES.

J. MacDonald, M. D., Dear Doctor: On two occasions I have used your ATLAS COMPOUND as a Spring Tonic with fine results and can cheerfully recommend it as a stomach, blood and kidney purifier. I was troubled with headache, indigestion and liver troubles, which have all disappeared. I can eat anything now without fear of indigestion and I feel strong and well as usual.

Yours sincerely, HENRY C. LAUB, Denison, Iowa.

LOST DESIRE TO EAT.

Alfred Hartley, a carpenter, living at No. 98 Federal street, Charleston, S. C., says: "I suffered greatly with stomach trouble. All desire to eat would leave me at the sight of food and when I did force myself to take nourishment my stomach would not retain it. Gas formed and made me miserable, my head ached and I had pains in my side and chest. Nothing helped me until, on the advice of a friend, I took ATLAS COMPOUND and was cured. Since then I have had no return of the stomach trouble and I have recommended the medicine to a great many people."

ASTHMA RELIEVED.

Dr. MacDonald, Dear Sir: Your ATLAS COMPOUND is the best remedy I ever used for asthma. I bought a package of our druggist and tried it and one box entirely cured me of Asthma, and I have not had it since. I can now go to bed and sleep all night with perfect comfort, which I have not done before for 35 years, and I thank you for the health that I now enjoy. I hope that you will punish this letter, that others may learn of its wonderful virtues.

Yours truly, C. W. Williams, No. 19 Winslow St., Amsterdam, N. Y.

FEELS BETTER IN EVERY WAY.

Dr. MacDonald, Dear Sir: I must say that your medicine has done wonders for me. I am a different man now. I have a good appetite, sleep well and can do double the amount of work I did before. My head is clear now and I have gained in weight. I am feeling better in every way.

Yours truly, CHARLES J. RIECHERT, 109 North Channing Ave., St. Louis,

CATARRH HAS DISAPPEARED.

Dr. MacDonald, Dear Friend: I take the greatest pleasure in saying that your treatment has completely cured me of catarrh. If ever a poor wretch suffered from that disease I was the man. I had begun to think I was rotten inside. All the cavities of the head, throat and bronchial tubes seemed filled almost to bursting with a yellow matter that discharged constantly and made me sickening to myself and others. The discharge from my head and throat was simply fearful. I was discouraged and hopeless when through the literature you sent to a friend of mine I was impressed to try your ATLAS COMPOUND.

As soon as I had fairly started using them I found myself getting letters, the discharge grew less and less, and I got more hopeful. I kept right on and by the time I had used two boxes of the medicine there was a wonderful difference. Before I had finished the course you sent me I felt as well as a man could wish to be. It is now over a year since and I have not had the least sign of a reappearance of the trouble from which I suffered too long. I feel just fine and shall be glad to have you use my name as I feel it both a pleasure and a duty to point others to the place where they can obtain such help as I got.

I heartily advise any one who may be unfortunate enough to have contracted Catarrh to attend to it at once, and not allow it to drag along. I firmly believe many are troubled just as I was and do not know what is the matter with them, thinking it only a cold in the head. Oh, how foolish they are to allow themselves to suffer and allow the disease to get a foothold when it can be broken up by taking it in time.

I would not suffer again as I did for months previous to taking your treatment for any money. I never felt better in my life than I do today, thanks to you, my friend and benefactor. I will gladly reply to all who address me regarding your treatment or my own cure, and all the influence I may have I am using and shall ever be ready to use in furthering your noble work.

Yours Ever,

REV. ALEXANDER CAMPBELL, 947 King St., Toronto, Canada.

BEST MEDICINE EVER USED.

J. MacDonald, M. D., Dear Doctor: ATLAS COMPOUND is the best medicine I ever used. It has cured me of a bad case of Heart Trouble of five years standing. The truth of which I will testify to by mail if a stamp is enclosed, or personally to any one. I give you this statement to publish for the benefit of suffering humanity.

Cordially Yours, MRS. M. E. CANFIELD, Malone, N. Y.

LOOKS TWENTY YEARS YOUNGER.

Dr. MacDonald, Dear Sir: Please find money for six boxes of ATLAS COMPOUND for my two friends. They look bewildered at me. They say I am looking 20 years younger than I did before taking ATLAS. I must let you know how much better I feel. I am all right now, a thousand thanks to you and the ATLAS COMPOUND. You will receive more orders from here.

Very Respectfully Yours,

MARTIN F. SCHULTZ, Co. L., National Soldiers' Home, Milwaukee, Wis.

VIGOROUS, STRONG AND PASSIONATE.

Doctor MacDonald, Dear Sir: I bless the day I first heard of ATLAS COMPOUND. The result has been wonderful. After using five boxes I feel like a new woman. I had no ambition, I felt tired and spiritless all the time. I cared nothing for society or anything else. My skin was pale and sallow and lips bloodless and my eyes burned like coals of fire. I was very thin, but a shadow of my former self, caused, no doubt, by my female trouble (leucorrhoea). Today I am 20 pounds heavier than ever before and well in all respects. I sleep well, my skin is clear and rosy, I am more vigorous, strong and passionate than ever before in my life. It is a splendid medicine.

Yours truly, MRS. CHAS. W. WILSON, Ridgefield, Conn.

ST. VITUS DANCE.

J. MacDonald, M. D., Dear Doctor: Please send me three more boxes of ATLAS COMPOUND. I want this lot for a young girl who lives with me and has St. Vitus' Dance. I feel sure it will help her. I can testify as to what it has done for me. I can eat and digest almost anything now and have gained 18 pounds in weight. The pains in my bowels have disappeared and I enjoy life once more.

MRS. OLDMAN, Escanaba, Mich.

HAD A BAD STOMACH FOR TEN YEARS.

Mr. MacDonald, Dear Sir: I had a bad stomach for ten years, everything I ate distressed me. I had rheumatism, lame back and much trouble with my kidneys. I tried seven different doctors and bushels of patent medicines without any benefit or even relief. I took your treatment a few weeks and am now as well as ever and work every day. I am a poor man, but I would not take \$1,000.00 to go back where I was. My wife and daughter have both used your remedies, with great benefit and we all recommend you whenever we can.

Yours truly, GEO. W. CLARK, Painter No. 5 Livingston St., Binghamton, N. Y.

CANCER ON THE NOSE.

Dr. MacDonald, Dear Sir: I wish to tell you what your HEALING COMPOUND has done for me. I had a Cancer on my nose and went to several doctors but none of them done me any good. It got worse every day. I tried your HEALING COMPOUND and in three weeks the Cancer was all cured and healed perfectly. Another one of my neighbors cured a running sore on his leg. It is a wonderful medicine and I would not be without it.

Yours truly, ALLEN TEATS, Box 35, Kendall, Md.

FROM THE STATE SOLDIERS' HOME.

J. MacDonald, M. D., Dear Sir: I enclose you money for more of your ATLAS COMPOUND. Several of the men here in the house have used it for various troubles and all say it does them more good than anything else they ever took. One man calls it "the medicine for broken down old men." It fixed him up nicely anyway. He is 65 years old and says since taking ATLAS COMPOUND he feels about ten years younger. Please register the medicine.

WILLIAM GREERS, State Soldiers' Home Sandusky, Erie Co., Ohio.

KIDNEY AND BLADDER TROUBLE.

Dr. MacDonald, Dear Sir: Last winter I was bothered with Kidney and Bladder trouble and finally my family doctor said I must have an operation. I spent a great many dollars on medicine but it done me no good. One day I happened to pick up your Almanac in the drug store and read about your ATLAS COMPOUND and I came to the conclusion it would help me so I bought a box and took them strictly following all directions. After using two boxes I felt perfectly well for quite a while. Then the trouble made its appearance again. I took two more boxes and today I feel perfectly well. MEDICINE A WONDER. FEELS LIKE A NEW MAN.

Dr. MacDonald, My Dear Doctor: I send these few lines to let you know how I am getting along. I am glad to tell you that you ATLAS COMPOUND has done me lots of good. I feel like a new man. I am still taking it regularly and have taken five boxes. I have followed all your instructions in eating which I think is all right. I had a bad case of stomach trouble and was badly constipated. I had the grippe about two weeks but have got over that "Thank GOD" I get a cold every spring but I don't think I will have one this spring as your ATLAS COMPOUND has made me so much stronger and better.

HAD A BAD COUGH AND SPIT BLOOD.

Dr. MacDonald, Dear Sir: Some years ago I bought several boxes of your ATLAS COMPOUND, and I am glad to say they cured me of spitting blood and of a bad cough. I know of several people who bought your medicine and they pronounce it the best medicine they ever took. When I started to take your medicine I was in very bad shape. I had no blood, my appetite was poor and I could not walk. One of my arms was so cold and lame that I could not use it. My flesh and limbs felt as if some one was pulling them. Now I can walk and I sleep very good. I am very thankful to you and intend to do you much good.

Doctor MacDonald, Dear Sir: Your new 1912 Almanacs just received for which I am very grateful. I intended to go East this fall and see you but have not been able to get away yet. I am interested in your Almanacs and in astrology. I think every child should be taught astrology in school. I think the Sun and Moon rules the earth in many ways, especially in planting and harvesting. I have read Solar Biology and your book on astrology and now they are my guide in life. Since reading them I took three boxes of your ATLAS COMPOUND and I must say that I am transformed into another man. "God Bless you and may He in His all wise dispensation spare you even beyond the allotted time of man to spread luck and health over the world."

J. W. JENKINS, Burbank, Calif.

J. MacDonald, M. D., Dear Doctor: Your welcome letter received. I was glad to hear from you again. I have just had my photo taken and will gladly send you one; also one taken a year ago, you can see what a change there is. You certainly have a wonderful remedy in your ATLAS COMPOUND. I used to drink from four to five gallons of water every 24 hours. My back ached so I could scarcely walk. I felt like a woman twice my age. I have now taken three boxes of ATLAS COMPOUND but think you had better send me one more. My appetite is good and I do not drink more than a quart of liquid a day. I have gained 26 pounds in the past six weeks.

Yours gratefully, MRS. BROWN, San Francisco, Cal.

THOUGHT HE WOULD DIE.

J. MacDonald, M. D., Dear Doctor: About two months ago I was taken with La Grippe. I thought I would die. Two physicians failed to do me any good a neighbor told me about your ATLAS COMPOUND. I sent for two boxes and I have been completely cured. I solemnly believe it has saved my life.

Yours truly, MR. PETER MILLER, Kansas City.

FIRST LETTER.

J. MacDonald, M. D., Dear Doctor: I have read your circulars about the ATLAS COMPOUND. It certainly is a great medicine if it will do all you claim for it. I will state my case and see if you think it will help. To use a slang expression, "I am all broke up." I have headache and backache constantly. My bowels never move unless I take pills. I have a constant horror or fear that something awful is going to happen. My appetite is very poor. A year ago I was sick a bed four weeks with La Grippe and it seems the pains have never entirely left my bones. Do you think there is any help for me in ATLAS COMPOUND?

Yours truly, MISS A. B., Nashville, Tenn.

SECOND LETTER.

J. Mac Donald, M. D., Dear Doctor: Please send me three boxes of ATLAS COMPOUND, I will give it a trial.

Yours truly, MISS A. B., Nashville Tenn.

THIRD LETTER.

J. MacDonald, M. D., Dear Doctor: I have used your ATLAS COMPOUND just as directed and I now wish to report results. For the first two or three days I felt a great deal better, then I seemed to get worse again for a day or two, but I kept right on with the medicine and could see a slow but decided improvement. After I had taken one box I felt ever so much better in every way and now after taking all the three boxes I can almost say I am well again, my bowels are regular, the "patches" are gone from my skin, my headache and backache is gone and I feel now like a young girl. Better send me another box to "top off" with. Thanking you kindly, I am your grateful friend,

MISS A. B., Nashville, Tenn.

JUST AS GOOD AND BETTER THAN YOU SAY.

Dr. MacDonald, Dear Sir: I beg you to receive my thanks for the good your treatment has done me. I can truthfully say that ATLAS COMPOUND is the best medicine on earth for any nervous or sexual weakness. I can recommend it to anyone so afflicted, and I know what I am talking about. I am better every way, even mentally, and I now say it is just as good and better than you say it is. You can use my testimony and I will stand for the truth of it.

Yours truly, JOHN SCHEMERHORN, 19 Dutch St., Albany, N. Y.

YOU MUST NOT GIVE UP.

Dr. MacDonald, My Dear Sir: I shall never forget your advice to me when I wrote you last fall; you said: "You must not give up, you are going to get well and strong again if you will do your part and just try." I did try and kept right on with your medicine until today I am a well man, and strong as an Ox. Everybody in this town knows how bad I was and when I tell them what cured me they think it is wonderful, and it is wonderful, for I had about every trouble named in your "Symptom Blank." The Druggists here are selling hundreds of boxes of your medicine and it is curing sick people everywhere.

Yours truly, JAMES L. SMITH, Commerce, Ga.

PLEASE SEND MORE OF THEM.

Dr. J. MacDonald, Dear Sir: The last lot of ATLAS COMPOUND has been received. I am pleased to state your medicine has found a ready market here in spite of the many patent medicines advertised. ATLAS COMPOUND is doing what all the rest failed to do. One man took a box a short time for indigestion when he said he felt better than he felt for many years. This same person has been to several doctors and has tried different kinds of patent medicines but none done him any good, till he took ATLAS COMPOUND. His testimonial has made a number of sales for you in this district. Another man told me there was nothing on the Island like ATLAS COMPOUND. It is spreading far and wide. Everyone who uses it recommends it to others. I expect to order a larger quantity next time. Your Almanacs are very good and I have not enough on hand for the demand. Please send more of them.

BEST MEDICINE FOR RHEUMATISM.

J. MacDonald, M. D., Dear Sir: I have had the rheumatism eleven months. I have been in the hospital and doctored with many doctors. They have relieved me but they did not cure me. Then I tried a doctor in Wisconsin and was treated by him for about four months and no relief. Then I heard of ATLAS COMPOUND and got \$1.00 worth and today I feel like a new man. I advise everybody who has any symptoms of rheumatism to try ATLAS COMPOUND. I think it is the best medicine on earth.

P. H. WILSON, Vienna, Maryland.

HAD BEEN GROWING WEAK FOR ELEVEN YEARS.

Dr. MacDonald, Dear Sir: I want to tell you personally what your ATLAS COMPOUND has done for me. About eleven years ago I began growing weak and since that time I doctored with seven doctors to the tune of hundreds of dollars only to completely lose confidence in them. I made up my mind I would as soon be dead as in my condition. I tried every patent medicine till my little savings of years has been squandered but I am now blessing the day your Almanac came into my house. I have only taken four boxes of ATLAS COMPOUND and I feel that I am far on the road to recovery. I am now following your instructions exactly but doing the best I can. I have also had catarrh of the head. I feel that I shall be restored to health in a very short time. I cannot find words to express the gratitude I feel. Long life Doctor MacDonald and his ATLAS COMPOUND.

JOHN L. WILSON

D., Dear Sir: I have now finished taking the six boxes of your ATLAS COMPOUND and although I have not lived according to your directions I find myself in better health than I have been for the last five years. I was losing my eye sight as all my people do at my age. My sister who passed out of existence a short time ago was blind the last two years of her life. She was 74 years when she passed away. I find my stomach and eye sight much improved since I have been using your ATLAS COMPOUND. I wish you would send me three more boxes for which I enclose a Money Order. J. MacDonald, M. D., Dear Doctor: Your Almanacs received all right. I will say that there are more people here troubled with catarrh than any county I have ever seen. Your Atlas Compound cured my brother-in-law of Cass County of the worst case of catarrh I ever saw. After the first box he began to improve and after taking three boxes he is entirely well and sleeps well. He is 73 years old. Anyone can write to him and find out for themselves.

GIVEN UP TO DIE—NOW WELL.

J. MacDonald, M. D., My Dear Doctor: Enclosed find Money Order for six boxes of ATLAS COMPOUND. Now Doctor if you think this letter will be of any use to others suffering as I did use it by all means. My trouble had been bothering me for over four years. I tried different doctors and remedies and then an operation was thought absolutely necessary. When by mere accident reversed. One physician said if I had an operation death would have been certain. My stomach and liver were full of mucus slimy catarrhal matter. I could not lay down because of the severe pain. The doctors did not agree. One said gallstones, one said cancer of the stomach, and another said I had catarrh of the liver, till I lost all hopes. I broke down completely. While at my summer home I requested my wife to take me back to Cleveland as I did not want to die there. Then I heard about your ATLAS COMPOUND in an Almanac which I found on our front porch. I read your advertisement and immediately sent for your remedy. ATLAS COMPOUND done wonders for me. In less than four weeks time I was a new man. My friends could hardly believe it for as I said before I had given up all hopes of ever getting well. I had made all arrangements for the inevitable but I am here today and have no more trouble with my stomach and liver. Of course I am careful about the food I eat and always will be. Thanks to the memory of ATLAS COMPOUND I will always keep it on hand and when I feel a little indisposed I will take a few tablets after meals. ATLAS COMPOUND done the work. Now Doctor you can use this letter in any way you wish. Send me a few more copies of your Almanacs, With kindest regard, I remain,

H. L. TOBIEN, 1644 E. 84th Street, N. E., Cleveland, Ohio.

RHEUMATISM AND STOMACH TROUBLE RELIEVED.

J. MacDonald, M. D., Dear Doctor: Some years ago you told me I was liable to rheumatism of the lower limbs and stomach trouble. As there was no history of rheumatism in my family or any constitutional disease on either side I was inclined to disbelieve your prognostication. However I came down to bed with articular rheumatism of the knees, ankles, and hips which kept me in for three weeks. My stomach also became disordered mornings. Now as a brother practitioner let me say that your ATLAS COMPOUND is good enough for me. I took your remedy as directed and followed all instructions to the letter and believe myself permanently relieved. Let me hear from you doctor, we may be a remarkable benefit to each other as I am now "Hide Bound."

F. W. SOUTHWORTH, M. D. Tacoma, Wash.

STOMACH TROUBLE AND WEAKNESS.

Dr. MacDonald, Dear Sir: I would have written you before but thought I would wait until I could say that I had good results from your ATLAS COMPOUND. I thank you for your kindness and for the medicine and will say I feel better than I have in years. I was troubled with my stomach and physical weakness. I will always keep ATLAS COMPOUND in my house and continue to take one or two after meals for my stomach.

MISS M. KNOWLES, 34 Reed Ave., Brooklyn, N. Y.

FEMALE COMPLAINTS

THOUGH WOMAN is a most perfect piece of mechanism, if the expression may be permitted, in all God's creation, she is, from the nature of her organism, the most delicate. Like a watch, her system is made of many integral parts, each a perfect piece of mechanism in itself, but powerless when separated from the rest. Damage a part of a watch ever so slightly, and immediately its running powers and usefulness is impaired. If the damage be great it stops entirely; if slight it runs in a half-hearted way, losing a minute here and there, out of joint with itself, as it were. So it is with a woman. If one of the vital organs become ever so slightly deranged the working of the entire system is impaired, is "out of joint." If the trouble be slight, like a watch, it may not be noticable and if it stops "running" after a time death is the result. To keep the organs in their normal condition is a duty every woman owes, not only to herself but to her family at large. It is to those who, from one cause or another, suffer from any of the numerous forms of Female Complaint that ATLAS COMPOUND comes with glad tidings and the promise of new life if used as others have used it, as a constitutional treatment. It offers women permanent relief from the many diseased conditions which unfit them for the full enjoyment of life and its duties.

Physicians' statistics show that seven out of every ten women suffer from some disease peculiar of their sex. Very often slight ailments which in themselves are not important will develop into chronic troubles that are hard to cure and are forerunners of years of suffering. In diseases of this nature it is important that a remedy be used that contains no opiates, narcotics or mineral poisons. ATLAS COMPOUND is a Pure medicine and peculiarly adapted to female troubles, it acts pleasantly and quietly on the diseased parts and gradually builds them up, restores them to a healthy condition.

ATLAS COMPOUND helps disorders of the female generative organs. It will bring color to the faded cheek, strength and vitality to the body and new life to the worn out nervous system. It is the greatest Female Regulator in the world for ladies suffering from Amenorrhoea (suppression of the menses), Dysmenorrhoea (painful menstruation), Menorrhagia (profuse or excessive menstruation), Menopause (end of menstruation, or change of life), Menophania (first appearance of the menses), Menophsania (irregular menstruation), Female Weakness or Prolapsus (falling of the womb), Anemia (poor, thin, or watery blood).

This subject is worthy of the attention of the highest order of minds, for the perpetuation of the home and the foundation of civilization itself depends upon the health and vigor of the sex. The original mental and physical harmony of woman has not been maintained. While she has developed intellectually, expanded socially and advanced morally, she has degenerated physically. The universal presence among the sex of numerous complaints that are commonly known by the general term "Female Weakness" is a problem that we are sure elicits the attention of all thinking women to-day. Many a woman starts out in life in perfect health. After a while the freshness of health disappears, the complexion becomes sallow, the eye dimmed, sunken and encircled with dark rings. Severe headaches follow. There is a sense of weight, fullness and bearing down in the lower part of the abdomen. Pains in the back and across the abdomen. Sometimes there is a great soreness in the region of the ovaries, so that even the pressure of the clothing causes pain. Bladder difficulties, constipation, piles and leucorrhoea attend the other difficulties. These symptoms are accompanied by nervous depression, the patient is fearful of some still greater trouble, is despondent, and in some cases inclined to hysteria. There is a constant tired feeling and disinclination to exercise. If you are nervous, dizzy, have sick headaches, pains in the small of the back, have that tired feeling ALL the time, if you are irritably cross, pale and feeble, have no appetite, no desire for company, especially those of your opposite sex, no vitality. If your face is full of pimples, hands clammy, and feet sweaty, digestion poor, bowels constipated, a bad taste in your mouth, your tongue coated, shortness of breath with the least exertion and no memory, your hands tremble, and you are easily excited or frightened, if you have horrible dreams and hot flashes and pain on top of your head, if your perspiration has a bad odor, your hair falls out and you feel that you can hardly live another day,

THEN YOU SURELY NEED THIS REMEDY.

It will make a new woman of you. It will banish your troubles and make you bright, happy and vigorous. It is a safe, certain and effectual Monthly Regulator and quickly restores all irregularities caused by fright, emotion, passion, colds and other similar causes. It is an indispensable Periodical Rejuvenator for all women between the ages of fifteen and fifty-five. I will gladly advise without charge all who write me about their case.

HERE IS A MAN YOU CAN TRUST

J. MAC DONALD, M. D., Ph. D.

People often feel the need of someone in whom they can trust and confide their doubts and fears. They want to be sure, however, that the one to whom they speak, or write, will UNDERSTAND them. It is a great relief to be understood. DOCTOR MAC DONALD is a man of great experience. He is a natural born Doctor, a Healer of the sick.

Some people say he has cured them of their troubles by their just simply going into his office for a little friendly talk. He is very social and in five minutes you feel as though you had known him all your life. Thousands of people have written letters to him and received great help from his replies. The great secret of success in treating with a physician is to confide in him, tell him exactly what your trouble is and don't let him guess, for he may guess wrong and treat you wrong. Tell your doctor everything and you will make no mistake.

FREE MEDICAL ADVICE

Most readers of this Almanac will be able to cure themselves of some one or more of the chronic ailments described, with the aid of ATLAS COMPOUND and the general directions given, but it occasionally happens that some people fail to receive the benefit they ought to. I want such people to write to me. Give me the facts of your case, with date of birth, sex, duration of illness and how much ATLAS COMPOUND you have taken and all particulars. I will then be able to give you the advice needed.

The greatest trouble I experience in this correspondence is that so many people fail to give their symptoms and write too long letters. As my time is limited you must make your letters short. In order to assist people to diagnose their own case a list of Symptoms are given for different diseases. Complicated cases often require a combination of medicines.

The value of expert medical advice will be readily understood by those who have had occasion to visit some of the famous doctors in large cities. A great many diseases are beyond the reach of the average country doctor or general practitioner. Specialists charge, and are entitled to receive, fees far beyond the reach of the average pocketbook.

No one knows how many lives are lost each year for the want of wise and experienced counsel from a physician whose practice is so vast and profound that they KNOW and do not merely guess what the trouble is.

The matter of making the most of one self is a most vital question. My book **THE SECRETS OF ASTROLOGY REVEALED** will help you to get the greatest efficiency out of yourself with ease and pleasure. PLANETARY PERIODS OF LIFE

The years from birth to 9 are ruled by the Sun. From 9 to 18 by the Moon. From 18 to 27 by Mercury. From 27 to 36 by Venus. From 36 to 45 by Mars. From 45 to 54 by Jupiter. From 54 to 63 by Saturn. From 63 to 72 by Uranus. From 72 to 81 by Neptune.

Kuowing that the planets have an effect, and that the seasons come and go without consultation, all we have to do is to learn the influence exerted by the planets and act accordingly. The heaviest rains always occur at from new to full Moon, and the heaviest snow from full to new Moon. Equinoxial storms occur a little late or a little early as the new Moon is a little before or after the time the Earth crosses the line.

SAMPLE OF ATLAS COMPOUND FREE

It is easier to make a person believe they can be cured of a disease if they can have a Sample of the remedy to try and from its use experience some appreciable benefits, than by just telling them what it will do. Strong statements are easily made and broken, therefore it is not necessary to take my word alone as to what ATLAS COMPOUND will do, but you can try a sample treatment and test it yourself. To Prove what ATLAS COMPOUND will do, I will send a Liberal Sample Free to anyone.

The Sample will last you a week or more and by that time you will know "something is doing." VEGETABLE COMPOUND is made from pure Coconut Oil, Extract of Soap Bark and Oil of Eucalyptus, combined with medical properties for all skin eruptions, pimples, red, rough and oily skin, dry and falling hair, itching scalp and all baby blemishes. It is the best Baby Soap made.

VEGETABLE COMPOUND contains no animal oil, no diseased fat, no rancid grease, or dangerous alkalis to poison the blood or injure the skin. It gives a rich creamy lather with an invigorating feeling and refreshing odor. No other soap ever compounded can be compared with it.

VEGETABLE COMPOUND is recommended by leading physicians and surgeons everywhere, not only as a Toilet Soap, but for bath and nursery. It is an antiseptic against contagious diseases and used to disinfect the hands and for cleaning cuts and sores.

VEGETABLE COMPOUND is recommended for pimples, blackheads, wrinkles, undue redness of face and nose, and other complexion defects. It imparts, to the skin that charming freshness and velvety smoothness so greatly desired. Its beneficial qualities to ladies and infants are marvelous, being endorsed by the leading physicians and surgeons as a soap which rapidly allays all irritations of the skin.

AS A TOILET SOAP for the Complexion, it is unequalled. It stimulates the skin and prevents secretions such as Blackheads and Pimples. It heals Chapped, Rough and Red Hands. Removes Tan, heals Sunburn and Chafing.

FOR THE BATH it has no equal. It is soothing and refreshing and leaves the skin soft and velvety. It not only cleanses the body, but it removes all eruptions and will banish Eczema, Salt Rheum, Hives, Herpes, Tetters and Ivy Poison.

FOR THE SCALP and for strengthening the hair by removing the germs that destroy it, the Compound has no equal. It is a sure preventative against parasites and microbes that effect unclean hair brushes and combs. It removes crust, scale, dandruff and scurvy. For Shampooing it cannot be surpassed.

IT IS A PERFECT SOAP. It will Remove all dirt, oil, stains, ink, grease, rust, mildew, etc., etc., not only from the hands and skin but from clothing, carpets and laces. It will also clean kid gloves, belts and leather goods. Removes grease from coat collars and stains from marble, bric-a-brac and paint.

THEATRICAL PEOPLE whose skin is put to the hardest usage, keep up their strength and freshness with **DR. MAC DONALD'S VEGETABLE COMPOUND**, otherwise the wrinkles would come and their possessors would be "hors de combat", in other words "on the shelf", too old looking. When your livelihood depends on your looks you are particularly particular about your skin.

THE VALUE OF A GOOD TOILET SOAP in the promotion of health is too well understood to require discussion. During life, the skin, in virtue of its continually undergoing reproduction and decay, as well as being an outlet for certain excrementitious materials from the body, is constantly throwing off from its external layer, as effete and useless matter, minute scales. These, mingling with the oily secretions of the cutaneous glands and the saline and aqueous matter of the perspiration, acquire sufficient adhesiveness to form an extraneous layer upon the surface of the body, which, unless daily removed by washing and friction, chokes the channels of perspiration and the oily glands and materially interfere with the general functions of the skin.

BOGUS MEDIUMS' TRICKS

Bogus Mediums are making fortunes out of the public. Having been asked hundreds of times to explain these so-called "Spirit" Phenomenas, I have procured at a **CONSIDERABLE EXPENSE** a number of their best tricks, every one of which has proved sufficient to support a Bogus Medium, create converts to Spiritualism and astonish large audiences.

Remember these are **TRICKS**, pure and simple. Ten minutes practice will make you a first-class (Bogus) "Spirit Medium."

NO. 1—READING SEALED MESSAGES. Tells you how to read and answer questions securely sealed in an envelope without opening or tampering with the seal. Done in presence of the sitter in broad daylight. Extremely mystifying and capable of many variations to suit different conditions.

NO. 2—FIRE CAN'T BURN YOU. How to obtain the protection of "spirits" so that you can literally and actually place your hand or hair, also handkerchief or necktie, etc., in the flames without injury. Enables you to walk on red hot iron, barefooted without injury. No apparatus or slight of hand. You actually can handle live coals and hold them for several seconds.

NO. 3—SPIRIT SLATE WRITING. Most satisfactory of any method, both to medium and sitter. Converts to Spiritualism have been made by this trick alone. Sitter may bring his own slates. Any message can be produced. Possibilities for variety of effects unlimited. Known to very few of the cleverest and most successful professionals. You will find the method is simple, but you will be aghast at the profound sensation which the trick produces, when cleverly associated with a solemn manner.

NO. 4—PRODUCING SPIRIT PICTURES. You can develop any picture upon a piece of muslin previously examined by the audience and seen to be free from preparation. Place a lamp behind the muslin so that the audience can see that no one touches it. Then at your command, the spirits begin painting or writing, as you prefer, and the picture grows slowly with ghost-like effect upon the cloth in plain view. Can be done in three colors if desired. A little music, playing or singing heightens the effect wonderfully, and the performance is extremely weird.

NO. 5—SPLENDID MIND READING. Any message conveyed. No apparatus or slight of hand. Mind reader blind-folded and back turned to operator who stands in any part of the room. Operator and mind reader both perfectly motionless and silent. Tremendous effect. Investigation can suggest the message to be transferred. Capable of many variations.

NO. 6—BOOK AND SLATE MYSTERY. Take any book; let investigator select page or line and on a slate previously shown bare, you can develop spirit writing duplicating the selection made by the investigator.

The Six Tricks will be sent by mail, for Fifty Cents

THE PLANETARY HOUR INDICATOR

Copyrighted 1908, by J. Mac Donald, M. D., Binghamton, N. Y.

This wonderful little instrument, which can be carried in the pocket, will show at a glance just what Planet rules any particular Hour of any particular day. Heretofore, all Planetary charts have been so complex in their construction that many pages of ready matter was necessary to make them properly understood. After years of study in the great science of Astrology, I have invented and patented the Planetary Hour Indicator, which is simple, practical, accurate, and perpetual.

This wonderful little instrument affords a method of telling just what to do EACH HOUR of any day from which no appeal can be taken. It supplies a long felt want among speculators, merchants, salesmen and business people generally. If you are anxious to know whether you should take up any commercial transaction, make a journey, or know the result of any important matter, you have only to consult the Indicator, and know at a glance just how it will turn out. The Indicator is so simple and easily understood that anyone can use it instantly and settle all doubts as to how any affair will turn out.

Planetary Hours are governed by the Sun's rising and setting and not by standard time. Each hour is one twenty-fourth the length of the day, regardless of where you may live. The value of Planetary Hours have been known for ages, but until the invention of this Hour Indicator they have never been available for general use. It is a good thing. If you have anything to do, and you wish success, you must select the best Hour to do it and urge the matter strictly within that hour, or follow it up on other good hours, and you will soon be convinced that there are more wonders in Planetary Influences than you ever dreamed of. It is the most wonderful Oraculum ever invented.

The Planetary Hours have never been understood, except by scientific astrologers, who must compute them for any given time. This, of course, was rather expensive, yet those who obtained this information became very wealthy through speculation, etc. With the Planetary Hour Indicator anyone can instantly find the lucky hour for any purpose. The Key to Success lies in acting at the right moment, while by acting at the wrong time you will surely fail. If you will test the Planetary Hours for one day you will be wonderfully surprised at the results.

The price of the PLANETARY HOUR INDICATOR, with full directions for using, is only One Dollar, by express or mail, prepaid. Safe delivery guaranteed.

THE INFLUENCE OF THE PLANETS

People with whom you come in contact in these different hours are always under the influence of the Planet that rules the hour and express in some way its nature, as callers in a Saturn hour are weary or sedate, in a Jupiter hour are proud and generous; in a Mars hour bold and energetic, in a Sun hour officious and dignified, in a Moon hour restless and uneasy, in a Mercury hour nervous and talkative, in a Venus hour loving and cheerful.

Test these influences by starting some new undertaking in a Saturn hour and note how it will drag along or fail, even though you persevere with it for months or years. (Unless it be a Saturn matter.) Start something in a Mars hour and see if you do not have trouble with it before you get through. (Unless it is a Mars matter, and in that of course you are looking for trouble and you will surely get it.) Call on your best girl in a Venus hour and note how agreeable the visit will be. She can not help say "Yes" to your proposals. Buy some fancy article in a Mercury hour and note how pleased you will be with it. Note how restless and uneasy people are in a Moon hour. Call on your employer or some politician in a Sun hour and see if he does not grant your request promptly. Dun your debtor in a Jupiter hour and see if he does not pay, or at least tell you when he will pay you. Dun him in a Mars hour and note how touchy or independent he is, or in a Saturn hour and find him with the "blues." Speculate or bet in a good hour if you want to win. Note the movements of stocks and see them go up in a Jupiter hour and then remember Solomon's sayings—that "there is time for everything under the sun."

If you have a caller or visitor at your home or office in a Moon hour, you may know they called to see about a journey, visit or travel, or about some woman, or things pertaining to the public. They are uneasy and undecided what to do. If your caller or client comes to you in a Saturn hour, tell them they called to see you about taking medicine, or about sickness of elderly persons, or the death of someone, or something disagreeable. If your visitor or patient calls in a Mars hour, you will know there has been an accident, wreck or loss of something, or about a quarrel or something dangerous; don't try to argue, for if you do you will surely get into a row. If your visitor calls in a Venus hour, you will know they came to see you about their opposite sex, or about love affairs, or a feast or entertainment, or amusement and the good things of life generally. People are always good natured at this time of the day. You will never receive any money in a Mars or Saturn hour, or if you do you will not be able to keep it, you will either return it or pay it out again at once. I have found that every sudden disappointment, or evil of any kind always happens in a Saturn or Mars hour, including especially dull hours in business matters, excepting, that those who have Saturn or Mars as their ruling Planet are unaffected and will have the advantage over persons not ruled by these Planets.

Did you ever notice that there are certain hours when everything goes wrong? You start out to do some errands and the first thing you discover you forgot your list, or the addresses of the persons you were to call on, but you think you can remember the most important ones, so you get on your car, tell the conductor to let you off at Blank street, you tell him the second time not to forget your corner and he looks offended at you, yet he takes you a mile beyond. Then you ask a policeman and find he knows nothing about anything and seems glad of it, or that he knows everything but what you want to know, so you give up that errand, get on a car to go back down town and after riding a mile or two, find yourself away out in the country. What luck! You got on the wrong car. However, you get back to town late, tired and cross with nothing accomplished. Another day you start out, everything goes along like clockwork, people you call on are at home, they are glad to see you, grant your favors, or have what you want. You see nothing but beautiful faces on the streets, everything is pleasing. Does not this indicate that at certain times all the stupid, ugly looking people are out and everything goes wrong, while at other times all the good looking, bright people are doing business and everything goes smoothly?

Would you like to know just when to do or not to do anything? If so, you need the PLANETARY HOUR INDICATOR. This wonderful invention will tell you correctly just what hour to transact anything you desire and do it successfully. It will tell you if the hour is good or evil for your purpose, or tell you just what you are to choose for your purpose. A trial will give you remarkable evidence of Planetary Power. It is the most complete fortune teller ever invented. All who have tested Planetary influences at all, know that the good and evil hours are of great value to any business man, or anyone doing business with the public.

The price of the Planetary Hour Indicator is only One Dollar.

A new, scientific and easy method of delineating character according to the position of Earth, Moon and Planets at time of birth. This book enables Physicians and Healers Clairvoyants, and Crystal Gazers to diagnose with greater accuracy. Anyone can easily use this system without any previous study. Differs from Astrology.

This is the original book on SOLAR BIOLOGY, and the only thoro system for reading character from the signs of the Zodiac and the positions of the Planets.

I know of nothing more helpful and interesting. This is the only work of its kind. The book is illustrated with diagrams, author's portrait and tables of the moon and planets from 1820 to date.

This work tells what is in man and how derived. Tells how to cultivate self and make the most and best of life. Tells one, when a child is born, what kind of training it should have, to what diseases it is liable, how to avoid or how to cure when already developed. Reveals a part of the grand body to which each individual belongs and the consequent mental tendencies, physical fitness, natural sphere and highest and fittest use in the world,

It enables parents to know just what their children are best adapted for, and how to educate them and is also a guide in the preservation of health and strength and an important aid to success and to the attainment of the great object in life; viz., usefulness and happiness.
